

STUDIO DE DANSE IMPERIUM
2020-2021 SEASON

A word from the directors:

Hello everyone,

We hope you are all doing well! We know that the past five months have not been easy for families. We therefore hope that the arrival of a new season will be a breath of fresh air in your lives and a little bit of a return to normal for young and old! Our team cannot wait to reunite with their students and meet new ones for a season adapted to our new reality. Throughout the season, the safety of our dancers and teachers will be our priority!

Since summer 2020, the studio has been adapted to meet the requirements of the CNESST and the Réseau d'enseignement de la danse du Québec. Following dozens of hours of training on COVID-19, we are confident that we will reduce the risk of contamination in the studio as much as possible. We have therefore

info@danseimperium.com | danseimperium.com

put together a very specific reopening plan that we ask all dancers and parents to read carefully following registration.

Given the current situation, places in each class will be limited (between 8 and 12 students will be accepted in each class, although we have room for up to 19 students in some studios). In addition, we have adapted our schedule to allow smoother movement in the studio between lessons. Finally, we enlarged the lobby to allow better management of the arrival and departure of students.

The new season will begin on September 20th. In this document, you will find all the details of our new hybrid model*, our schedule for the 2020-2021 season and the calendar for the year. Please note that we offer a discount for dancers registering for more than one class as well as family discounts.

We look forward to having you join us for this long-awaited 8th season!

- Christine Langston & Véronique Sévigny-Leclerc, directors of Studio de danse Imperium

* In the event that the government requires the temporary closure of dance studios again, we will transfer all of our dance classes to virtual live classes. We are now regulars and pros of virtual education! This will allow dancers to continue their learning with the same quality of teaching, in complete safety, from their home! We therefore ask dancers who register to be prepared for this temporary eventuality.

REGISTRATION

2020-2021 SEASON :

RETURNING STUDENTS :

PRIORITY REGISTRATIONS FOR THE 2020-2021 SEASON (recreational level): From Monday August 10, 12:00 pm to Friday August 14, 5:00 pm, you can register online for our recreational level classes for the 2020-2021 season. [Click here to register.](#)

NEW STUDENTS :

REGISTRATION FOR THE 2020-2021 SEASON (recreational level): New students are invited to register for our recreational-level dance classes starting Friday August 14 at 5:00 p.m. [Click here to register.](#) In order to be accepted into our level 2, 3 or competitive classes, an assessment or audition will be required for all new dancers. Please contact us for more information.

Hybrid dance studio:

The new experience offered at Studio de danse Imperium!

In-person classes:

This season, the majority of our dance classes will be offered in person at the studio.

We care about the safety of our students and teachers. We have therefore implemented a specific plan allowing, among other things, physical distance between our dancers, as well as frequent cleaning and disinfecting of our studios. For all the details, please read our reopening plan available on our website.

Ready for the possibility of going back online:

In the event that the government requires the temporary closure of our dance studio again, we will transfer all of our dance classes to live virtual classes.

We are now regulars and pros of virtual education! This transfer to online courses will therefore allow dancers to continue their learning with the same quality of teaching, in complete safety, from their home!

If someone who has visited / danced / taught at Imperium Dance Studio tests positive for COVID-19:

As stated in our reopening plan, it is mandatory to notify Studio de danse Imperium of any positive COVID-19 test result after attending the studio.

Taking the attendance of students rigorously at each class, we will contact all the dancers who were present at the studio on the same day so that they can be tested.

The studio will be closed for 48 hours to be disinfected and quarantined. All dance classes will be transferred live to Zoom. This will therefore allow dancers to continue their learning with the same quality of teaching, in complete safety, from their home!

Courses offered virtually:

This season we will be offering a few virtual dance lessons per week. This will allow families who do not want to come back to the studio right away to continue their dance training, in the comfort of their home. Our virtual dance studio will therefore still be in operation for the 2020-2021 season and will be able to welcome dancers from everywhere!

FREQUENTLY ASKED QUESTIONS

Classes start September 20th, 2020

29 week session (13 week session for the Zoom classes)

How do I know if my child is placed in the correct class level?

During the first few weeks of classes, teachers evaluate their dancers. It rarely happens, but changes could take place.

Should my child take multiple classes a week?

Dance is like any sport or art form: the more you train the better and faster you achieve results! If you know that your child's goal is to improve faster and become a more versatile dancer, we recommend registering him or her in more than one class per week.

My child is interested in competing. What are the steps?

The first step is to register your child in the recreational classes (level 1 or 2) on our online system. The second step is to register your child for our auditions (August 22nd-23rd). After the auditions, if your child is selected for our competitive program, we will modify their online registration accordingly.
